Bio

Dutch-American. Big fan of bicycle culture and accessible infrastructure. I have worked in many fields; from architectural design and event production in Amsterdam, English teaching in China to farming, video, and construction in the Midwest.

Curious, creative, and dedicated are a few adjectives that describe my personality, both in the workplace and in my personal life. I try my best to stay humble amidst a definite pride in my work.

Skills

- Fluent in: **Dutch, English**
- Basics in: **French, German**, ♥ for languages
